Headlight Lens Restoration...\$39.95/set

Most of today's vehicles use plastic lenses; with time, ultra-violet rays, weather, salt, and road debris degrade these lenses. This cloudy film leads to diminished light output, reducing visibility.

Headlight lens restoration can remove the exterior film and restore lenses to a clearer better performance lasting up to two years.

High Intensity Halogen Headlight Bulbs...\$16.95 each

Prices posted are for most vehicles and could be higher based on your vehicle's requirements. w/filter kit add \$84.95. Tire rotations W/TPMS monitor reset add \$5.00.

Prices subject to change. These rates supercede all previously posted. (2/15)
